Manchester Antique & Classic Car Show Supports Good News Garage

The 23rd Annual Manchester Antique & Classic Car Show presented by Land Rover Experience & the Manchester & the Mountains Regional Chamber of Commerce takes place June 13 & 14 at Dorr Farm in Manchester Center, Vermont. The Manchester Antique & Classic Car Show will donate ten percent of the net proceeds from the 2009 event to Good News Garage who's mission is to create economic opportunity by providing affordable and reliable transportation options for people in need in VT, NH, CT and MA.

Jay Hathaway, the Executive Director of The Manchester & the Mountains Regional Chamber of Commerce was immediately impressed with the Good News Garage organization after hearing a radio interview with Marketing Director, Carmen George. "Good News Garage is a well run meaningful organization. There are several organizations that donate cars; we decided to donate to Good News Garage not only because of what they do, but how they do it. The residual effect of their work not only assists those in need, but benefits the Manchester Antique & Classic Car Show and our community as a whole. It is how they run their organization that makes them special." Event Coordinator, Tammie Reilly adds: "Transportation is imperative in the lives of working people. Partnering with Good News Garage on our annual car show allows the antique auto enthusiast the opportunity to become more involved in the community and take their passion for the automobile beyond a hobby."

The 2009 show will feature two car manufacturers – Hudson and Jaguar. In addition to the magnificent display of antique cars, trucks and motorcycles the event includes Saturday afternoon parade through town, field events & games including piston toss & spark plug changing contests, hubcap painting for kids, silent auction, raffles, and entertainment for all. Entertainment includes a Saturday evening BBQ reception featuring the Starline Rhythm Boys, a Vermont style barn dance featuring the Allen Bills band and a Sunday afternoon performance by the Wild Country Cloggers. Exhibits include **Vintage Midget Race Car Collection** presented by Atlantic Coast Old Timers; the **Plug-n-Go™ Electric Car** exhibit hosted by Central Vermont Public Service. **Land Rover Experience** will exhibit vintage Land Rover and Jaguars. The event also includes ask the expert tech sessions with restoration specialists Bill Halligan from B&H Auto and Lenny Schaeffer from Chop Shop Customs.

To learn more about the car show, to register a car or a flea market space, or sign up to sell your vehicle in the "car corral" visit www.manchestercarshow.com or call 800-362-4144. Gates open at 8 am Saturday & Sunday. Adult Admission is \$8, children enter free!
